- Report card distribution on April 9

Farther Out:

- Next Meeting of the Inclusion Action Team is April 23
- See Mr. Kohan for more information on the Ninth Grade Academy Action Team
- The exam and end-of-year schedules should be finalized very soon – I hope to have that information for you at the 4/7 faculty meeting

Reminders:

- Go see our athletes in action this spring. All kids need to know that the adults around them value them and care about them. Showing up at the field is one of the best ways to do this.

News:

- Closed Personal Days are April 3, 8, 9, 20 and May 15, 22, 26

Check This Out: "On the 1960s TV show "Gilligan's Island," one character, the Professor, was always designing ingenious approaches to improve life on the island. Why, the writer Anne Lamott has asked, didn't he just try to fix the boat?"

Bravo - Bravo to Ms. Cassidy, Mr. Vuccola, and Mr. Pagel for the fantastic production of *Grease* staged last Friday and Saturday night. There is a long list of supporting staff members including but not limited to Mr. Pennell and Mr. Lee who had roles in the production, and Ms. Herholdt and Ms. Watson who took tickets. Sorry if I missed you on this list.

Quote of the Week:

"It's a funny thing, the more I practice the luckier I get." Arnold Palmer

"Augusta is the closest thing to heaven for a golfer – and it's just about as hard to get into." Joe Geshwiler – San Francisco Examiner
